

(2) *Provisional certification under paragraph (b)(2) of this section.* Where the Secretary is satisfied, based on the documentation submitted by the facility in accordance with paragraph (d)(2)(ii) of this section and any other information available to the Secretary, that the facility has complied with the terms of its provisional certification under paragraph (b)(2) of this section, the Secretary shall certify the facility under paragraph (b)(1) of this section. If the Secretary finds that the facility has not complied with the terms of its provisional certification under paragraph (b)(2) of this section, the facility will receive no credit towards its uncompensated services obligation during the fiscal year of provisional certification.

(f) *Deficits*—(1) *Title VI-assisted facilities*—(i) *Title VI-assisted facilities with assessed deficits.* Where a facility assisted under title VI of the Act has been assessed as having a deficit under § 124.503(b) that has not been made up prior to certification under paragraph (b)(1) of this section, the facility may make up that deficit by either—

(A) Demonstrating to the Secretary's satisfaction that it met the applicable requirements of paragraph (c) of this section for each year in which a deficit was assessed; or

(B) Providing an additional period of service under this section on the basis of one year (or portion of a year) of certification for each year (or portion of a year) of deficit assessed. The period of obligation applicable to the facility under § 124.501(b) shall be extended until the deficit is made up in accordance with the preceding sentence.

(ii) *Title VI-assisted facilities with unassessed deficits.* Where any period of compliance under this subpart of a facility assisted under title VI of the Act has not been assessed, the facility will be presumed to have no allowable credit for the unassessed period. The facility may either—

(A) Make up such deficit in accordance with paragraph (f)(1)(i) of this section; or

(B) Submit an independent certified audit, conducted in accordance with procedures specified by the Secretary, of the facility's records maintained pursuant to § 124.510. If the audit estab-

lishes to the Secretary's satisfaction that no, or a lesser, deficit exists for the period in question, the facility will receive credit for the period so justified. Any deficit which the Secretary determines still remains must be made up in accordance with paragraph (f)(1)(i)(B) of this section.

(2) *Title XVI-assisted facilities*—(i) *Title XVI-assisted facilities with assessed deficits.* A facility assisted under title XVI of the Act which has an assessed deficit which was not made up prior to certification under paragraph (b)(1) of this section shall make up that deficit in accordance with paragraph (f)(1)(i) of this section. If it cannot make the showing required by that paragraph, it shall make up the deficit when its certification under paragraph (b)(1) of this section is withdrawn.

(ii) *Title XVI-assisted facilities with unassessed deficits.* Where any period of compliance under this subpart of a facility assisted under title XVI of the Act has not been assessed, the facility will be presumed to have no allowable credit for the unassessed period. The facility may either—

(A) Make up such deficit in accordance with paragraph (f)(1)(i) of this section; or

(B) Submit an independent certified audit, conducted in accordance with procedures specified by the Secretary, of the facility's records maintained pursuant to § 124.510. If the audit establishes to the Secretary's satisfaction that no, or a lesser, deficit exists for the period in question, the facility will receive credit for the period so justified. Any deficit which the Secretary determines still remains must be made up in accordance with paragraph (f)(2)(i) of this section.

**§ 124.517 Unrestricted availability compliance alternative for Title VI-assisted facilities.**

(a) *Effect of certification.* The Secretary may certify a Title VI-assisted facility which meets the requirements of paragraph (b) of this section and the applicable requirements of this subpart as an unrestricted availability facility. A facility which is so certified is not

required to comply with the requirements of this subpart, except as provided in this section or elsewhere in this subpart.

(b) *Criteria for qualification.* A facility may qualify for certification under this section if, for any fiscal year for which certification is sought, it operates a compliant, fully expanded uncompensated services program. Such a program must meet the following criteria:

(1) It makes all services of the facility available without charge to all persons requesting uncompensated services from the facility who are eligible under § 124.505, including all persons coming within Category B and, if applicable, Category C.

(2) It complies with the notice and allocation plan requirements of §§ 124.504 and 124.506, except that all notices published or provided must describe an allocation plan and program consistent with paragraph (b)(1) of this section.

(3) It makes written determinations in accordance with § 124.507, except that all favorable determinations must indicate that the facility will provide uncompensated services at no charge.

(4) It provides uncompensated services consistent with the requirements of this section for the entire fiscal year for which certification is sought, except that a facility may

(i) Cease providing such services and still receive credit, calculated in accordance with paragraph (d) of this section, where—

(A) The facility has completed its total uncompensated services obligation, including making up any deficit; or

(B) The facility determines, and submits documentation which the Secretary finds, taking into account the factors identified in § 124.511(c), sufficient to establish that it is financially unable to continue to meet the requirements of this section for the remainder of the fiscal year; and

(ii) Receive a portion of a year's credit for the first partial year in which it began operating a fully expanded program, as long as it continued to operate the fully expanded program in subsequent years.

(c) *Period of effectiveness.* A certification by the Secretary under this section remains in effect until withdrawn.

The Secretary may withdraw certification under this section where the Secretary determines the facility is in substantial noncompliance with the requirements of paragraph (b) of this section and has not adequately remedied or otherwise continues such noncompliance. Where the Secretary withdraws certification for part or all of a fiscal year or years, no credit may be granted for the period of unremedied substantial noncompliance.

(d) *Deficits.* (1) Where a Title VI-assisted facility has been assessed as having a deficit under § 124.503(b) that has not been made up prior to certification under this section, the facility may make up the deficit by providing uncompensated services in accordance with this section. The facility shall receive credit towards its deficit on the basis of one year, or part thereof, of credit towards each "deficit year" for each year, or part thereof, of operation in compliance with this section and the applicable requirements of this subpart.

(2) The number of "deficit years" of a facility shall be calculated as follows:

(i) Determine the number of years in the facility's total period of obligation pursuant to § 124.501;

(ii) Subtract the number of years in which the facility operated in compliance with this section and the applicable requirements of this subpart from the number of years derived under paragraph (d)(2)(i) of this section;

(iii) For all years in which the facility did not operate in compliance with this section, determine the ratio of the total compliance levels applicable under § 124.503(a) to the facility's total deficit under § 124.503(b);

(iv) Multiply the percentage derived under paragraph (d)(2)(iii) of this section by the number of years under obligation pursuant to § 124.501 but for which the facility did not operate in compliance with this section;

(v) Subtract the number derived under paragraph (d)(2)(iv) of this section from the number of years derived under paragraph (d)(2)(ii) of this section;

(vi) If the facility is still within the period described in § 124.501(b)(1), add the number of years derived under paragraph (d)(2)(v) of this section to

## § 124.518

the end of the period of obligation, or if the facility is beyond the period described in § 124.501(b)(1), add the number of years derived under paragraph (d)(2)(v) of this section to the last year the facility operated in compliance with this section.

### § 124.518 Agreements with State agencies.

(a) Where the Secretary finds that it will promote the purposes of this subpart and the State agency is able and willing to do so, the Secretary may enter into an agreement with an agency of a State to assist in administering this subpart in the State. An agreement may be terminated by the Secretary or the State agency on 60 days notice.

(b) Under an agreement the State agency will provide any assistance the Secretary requests in any one or more of the following areas, as set out in the agreement:

(1) Investigation of complaints regarding noncompliance;

(2) Monitoring compliance of facilities with the requirements of this subpart;

(3) Review of reports submitted under § 124.509, including affirmative action plans;

(4) Making initial decisions for the Secretary with respect to compliance, subject to appeal by any party to the Secretary, or review by the Secretary on the Secretary's initiative; and

(5) Application of any sanctions available to it under State law (such as license revocation or termination of State assistance) against facilities determined to be out of compliance with the requirements of this subpart.

(c) Nothing in this subpart precludes any State from taking any action authorized by State law regarding the provision of uncompensated services by facilities in the State as long as the action taken does not prevent the Secretary from enforcing the requirements of this subpart.
